Tribute from John Bergen

Relation: spouse of a friend

Although I had never met Al, I felt I knew him. There are people you meet in life you wish you never had, and there people you'll never meet in your life which you wish you had.....Al was one who I wish I'd met. Towards the end, it must have been a long haul for not only Al, but also for you guys as well. May Al rest in peace.

I'd like to share a little note I read today which seems so appropriate.....When someone you love becomes a memory, the memory becomes a treasure.

Love you guys a bunch - Pam, Chris, Jessie.....

John
