

REMEMBERING Annie Dosen

April 25, 1930 - March 2, 2025

Tribute from Wiebe and Jeske Funeral Home

Wiebe and Jeske Funeral Home Staff send our condolences to family and friends.

Tribute from Trudy Maureen Handel

Relation: Colleague and friend

Words fail me. She was a wonderful woman and our friendship went back forty years. Annie was always upbeat even when things weren't going great. She was one of my favourite people in the world and she will be greatly missed. Rest in peace, my dear friend. Brant, Trudy, Carly and Shannon.

Tribute from Mike Gabriele

Sincerest condolences to the Dosen family
For most of your family my name will not be familiar
I've known Ken and Beverly from our youthful days of school
My prayers and well wishes are with all of you

Tribute from Rob & Leslie Hallicki

Relation: Friend

Ken, Dave and Families,
Our sincere sympathies go out to all of you on the passing of your Mom. We loved spending time with her at Cultus while we were there. We hope all the wonderful memories of her live on in your hearts forever.
Thinking of you all during this difficult time,
Rob and Leslie Hallicki

Tribute from Cathy Bittroff

Relation: Was good friend of my mother who passed last year

My sincerest condolences to Annie's family. Annie and my mother were good friends at the independent living place they were in. They had a lot in common and got along great and enjoyed their bingo and horse races together. They shared a lot of laughs together. I'd like to think they are together again sharing those laughs.

Tribute from Anna Dosen

Relation: Relative

I am so sorry for your loss, Ken, David and your family. I have fond memories of Mike and Annie as a child visiting their home in Champlain Heights and playing at the park across the street (from their home). My father, Luka Dosen, was family to Mike, I believe first or second cousins. My father passed away in 2007 and I live in Minnesota, so it has been a while since the extended family has seen each other. I remember Annie as a wonderful person. Wishing you all well at this sad time. Take care of each other.
