REMEMBERING

Antonietta Regina ((Annette))

June 16, 1944 - October 1, 2015

We are deeply saddened to announce the loss of Antonietta (Annette) Regina on

October 1, 2015. She was predeceased by her husband Mike. Survived by her children Tom, Maria (Lucio), Rosa, her grandchildren Nicholas, Tianna, Jacob, and extended family in Vancouver and Italy.

She immigrated to Canada in 1964 and began to establish her new life here. A few years later she met her true love Mike. They married and started their family.

Antonietta was kind, compassionate and loved with all her heart. Her home and family was her life and she always took pride in being a wife, mother, and nonna. Her love shined through everything she did, especially her wonderful cooking, and this will be deeply missed by all. She had a warm spirit that made anyone who met her feel welcome and comfortable …. she was everyone's mamma or nonna. She will never be forgotten and her love will live on in our hearts forever. Although we are sad that she has passed away, we are comforted in knowing she is at peace and reunited in heaven with her soulmate and with other loved ones previously departed. We know that she will be watching over us.

Ciao per ora.

Essere felici e godere la vostra vita.

An informal celebration of life will be held at a later date.
