My deepest condolences to the Blohm family. I got to know Barb when I was in home support and helped take care of her mother.

Barb was a kind compassionate person who always put other peoples needs before her own . We lost a beautiful person . May God send comfort to you all.

Tribute from Danielle Wall

Relation: Friend and coworker

I worked with Barb for 19 years and considered her a dear and close friend ..I am so sorry for your families loss of this amazing kind and gentle woman...she will be greatly missed by all of us who knew her. She made me a better person through knowing her

Tribute from Dawna

Relation: lifelong friend

I still can't believe she has passed and gone to Heaven. I loved her like a sister and had known her for many years since '71. She worked hard all her life and then found her career working at Hand in Hand taking care of those kids that would start kindergarten and graduate and still come back to see her, that is how much love she gave them. They will all miss her and hold the memories of Barb forever in their lives I am sure. I am so sorry for Julian to loose his Mom and I will always keep him in my prayers. My heart goes out to her siblings and to her nieces and nephew and greats. Prayers of comfort always for them all. I have so many memories of Barb that I will cherish forever. My heart still is breaking for her loss. I love You Barb.. Rest in Heavenly Peace as I know you are with GOD who was your Life! Love Dawna
