Tribute from Kay Ellingson

Relation: dear friend

Goodbye dear Betty - I am so thankful that God in his infinite mercy has taken you to his side - a place where there will never be anymore pain and where you will await my arrival - I am so looking forward to seeing you again. As in life, I loved you so and working with you at Helping Hands was always such a joy, yes, and fixing your pants when they were too long was my pleasure. Be happy and soon we will all be together. To the family, please know how much I loved your mother. God bless and comfort you at this time. Kay Ellingson

Tribute from Gloria Hiebert

Relation: friend

To Betty's family,
My dearest memories of Betty are our prayer times for our children and her grandchildren at MEI. She became my friend and we shared other requests throughout the years. I rejoice that Betty is with Jesus (and Henry) and I will see her again " in just a little while."

Tribute from Len Hoon and family

Relation: neighbours on Marshall Rd.

Dear Marilyn and family. We read in the paper of your mom's passing too late to come to the service on Fri. We are truely sorry for your loss, and will remember your Mom the way she was when we were children, living across the road from us. What a good Mom she was. Love Pat
