### **Tribute from Brian "Jason" Manson**

Relation: son

The loss of our Dad is something my brothers and I will never get over! He is such a true human being, took two familys and made one! He made us all who we are, and that was not easy! You will be so missed Dad! We all will be ok because of you Dad!

### **Tribute from Churchill Family**

Relation: Close friend of Kevin Manson (son)

Always had such a fun time visiting Brian with Kevin. He will be missed.

### **Tribute from Elaine Margaret McLean**

Relation: Relationship - How did you know the deceased?

I will always remember Brian smiling and a twinkle in his eyes. He loved his family deeply as they loved him. I will miss him. He was a dear friend. Elaine McLean.

### **Tribute from Howard Allan**

Relation: Co-worker

Imagine the surprise when we were informed that Stalwart Brian had taken ill. It was a private joke that he was really a cyborg and that's how he was so robust and still working long after most of us would have sat back on the porch with our feet up. Brian was welcoming and friendly from the first day I came to CF and for some odd reason, I always seemed to replace him when he was holidaying. So imagine the shock when we heard he passed. We are so sorry for you loss and will miss Brian at the terminal. My families prayers are with you all and may you find peace in the times ahead. God bless you.

### **Tribute from Lena Peragine**

Relation: Neighbour and family friend

We are so very sad to hear of Brian's passing. I will always remember your dad... Always smiling and

joking, blaring his country music with the front door wide open. The caring man who took care of his boys and was there to watch over the six of us bratty kids next door. He will never be forgotten xox

**Tribute from Deanna Peragine Blackburn**

Relation: Neighbour

Wow, I am so sad to hear about the passing of Brian. My family grew up a few doors down from Brian and his family. I will always remember how he always had a smile on his face and was always ready to play a joke on all of us kids in the neighbourhood. To the Manson family. I am so sorry for your loss. My thoughts and prayers are with you.
