

REMEMBERING Bruce Syme

March 11, 1944 - December 31, 2015

Jamie passed away peacefully, surrounded by family. Jamie was a testimony of God's grace and healing. Almost 4 years ago, he was diagnosed with stage 4 cancer and given a survival rate of 4 to 5 months. Throughout his journey with cancer, he never wavered in his faith in God. His health care professionals often said that there was no predicting what Jamie's future might be as he blew holes in their predictions time after time.
