Very sad to hear of Carol's passing. She was a very kind person who would do anything to be helpful.

### **Tribute from beverly chapman**

Relation: friend

rhiannon, jamie, and sawyer, and family:

there aren't words to express my sympathy for your great loss. i feel a loss as well of a precious friend, and co-worker. i was always amazed at your mother's courage and positive attitude against all odds, clearly in a life struggle that even when she was on the losing end she was still so brave. on our visits, i would say to her, you are such a non-complainer, and she always took it in her stride, as if to say this is just who i am. i admired her. i certainly missed her on the surgical daycare unit at msa hospital...she never returned after cancer took it's toll, i recall her bringing my favourite cookies to work, and i just loved them, so i tried to make them but that was a disaster!!!

### **Tribute from Alan Rennie**

Anyway, sorry

Alan
