Tribute from Bruce & Sherry

Relation: Nephew

We are so sorry for your loss. Auntie Bev was so much fun. We loved Boxing Day games, Pinata parties and family get togethers in particular. Such a special woman who positively impacted so many lives. May she rest in peace knowing how much love she shared and how loved she is.

Tribute from Susan Duncan

Such a shock to lose Auntie Bev. I have such fond memories of my early childhood years spending time with Auntie Bev and my dear cousins. Auntie Bev was always so good to have my sister and I for playdates and sleepovers with our cousins. I recall one time when we were playing make believe and I was using the bathroom when there was a knock at the door. I thought it was one of my cousins so I answered in my make believe voice, only to discover that it was Auntie Bev. She was so sweet and simply answered back in a make believe voice as well, joining in. When I think about this now, I can picture her on the other side of the bathroom door, smiling, stifling a giggle. This is how she was, going with the flow, joining in the fun, aware of others feelings and making them feel okay. I shall miss her welcoming smile, hugs and acceptance, but trust that she is in a good place watching over the family, keeping us together as we continue on this journey of life.
