**Tribute from Louise McCart**

Relation: Friend

I'm comforted by a deep knowing that Cheryl is still with us, but it still really hurts when I find myself reaching for my phone looking for a text from her. So many memories that I treasure. Cheryl was by my side when I met my husband, and I was with her when she met hers. I will miss our girl's weekends terribly and the excitement of planning our family vacations together. It has always felt good knowing

that I had a special friend in this world who understood me and my flaws, and still loved me anyway. To Darryl, Dylan and Braden and all of Cheryl's grieving family, I will keep you close to my heart as you are now and forever family to me too. With profound love and sympathy XOXOX

Dale & I were very saddened to hear of Cheryl's passing  
To Darryl, Dylan & Braden we offer our deepest condolences during this difficult time. I worked with Cheryl for 27 years for the City of Abbotsford-Geomatics Division. I truly enjoyed our many long talks - so insightful & often times humorous. She was a very lively & energetic person very much a free spirit & wonderful mother. We had a lot of good times. She will be greatly missed & I feel lucky to have known her. May she rest in peace. Love from Judi Lauer-Zahara - CofA-GIS

Daryl, my heart goes out to you, Dylan & Braden. Cheryl was a true dear friend of mine.  
We did many social gatherings & lunches. Talked about our separate lives. I will miss her always. She actually came to my late wife's & my apartment & cooked dinner for us as my wife was also suffering. She had the biggest heart I've ever known anyone to have.  
I'll never forget her, we helped each other often. Always in my heart forever.  
R.I.P. Cheryl! XO

Dorothy and I have just viewed Cheryl's service, and thank you for arranging the online viewing. The courage of your family was evident as you carried Cheryl across the grass. Darryl, your presentation was excellent as you shared many Cheryl memories. It was an honour to be able to "attend". Big Hugs from Richard and Dorothy Cummings
