

## REMEMBERING

# Cynthia Ann Waddel (Cindy)

September 16, 1961 - September 28, 2022

Cindy passed away peacefully with her family at her side. Cindy lived a fulfilling life and is survived by her loving husband Bob (42 years), son Tyler, and her brother Chris (Donna) and nieces Samantha, Chelsey and nephew Brodie; Lisa (son Coleton). Predeceased by her mother Pat (Ken), father Alfie (Camie), and nephew Ryan.

Cindy was a wonderful lady and caring mother. Cindy was a long time employee of B.C. Children's Hospital. Cindy would revel in the good ol' days at Birch Bay with family and friends, enjoyed time in the hot tub, she was equipped with a triple salchow that would make an Olympian blush and could carry a tune like no other. Her smile lit up a room and her laugh would induce joy. A special thank you to her cousin Lynda and brother in law Dave.

Cindy will be missed dearly, however not forgotten. Celebration of life to be held at a later date.
