Relation: old friend

To Dales Family . I'm sorry I couldn't be there. I will miss Dale. Dale and I started in grade One and thru High school. It was always a pleasure to meet Dale where ever it was. On the end of Satchel where you used to live , at the many Parties and Zoos(What we called a really good party in the 70s)The last time I met Dale I was heading home and I stopped at a fruit stand in Yarrow.A voice called my name behind me and before I turned around I knew it was Dale. He have very unique voice . One I will never forget..

Good bye Dale My good friend.

Tribute from Deb Whitehouse (nee Rudnisky)

Relation: grew up together in Mt. Lehman

I am sending my deepest sympathy to Dales family and friends. Dale and I date back to 1968, remembering just sitting on the front lawn, just sitting because Dale never talked a lot. It makes me sad to know that he died. Remembering the time he stopped the spraying in our area because it was harming the little birds that lived in the bushes. The time he spent in the hospital after his accident, so young. I think of the many times our paths crossed throughout the years.
