My sincere Condolences to you Joan and Family. There are no words that can express your loss. I am so glad to have spent time with you both when you came to Kamloops. Although it was a short visit, it seemed as though we have always been close. I will miss Danny. Please lets stay in contact.

Tribute from Noah Liguori

Relation: Friend

I was so sad to hear Dan had left us so soon, as Heinz said a shock to all. I will remember Dan's sense of humor and amazing calm and pragmatism. Most of all I am left with the inspiration Dan gave to serve the Lord faithfully year in and year out, in season and out of season. He made time for so many people, more than many of us realized. My prayers for Joan and all the family. Dan was larger than life and left a hole that just cannot be filled.

Tribute from Julie De Ath

Relation: Friend

Dear Joan & the entire Harder Family, I am so very sorry for your loss. Dan was a very special man - talented, loving, caring, hardworking - really one of a kind. He loved his family and the Lord. The epitome of a good man. I will never forget him. Sending you peace and love and light.
