Wiebe and Jeske Funeral Home Staff send our condolences to family and friends. Our thoughts and prayers are with you all.

Tribute from Dr. Robert Turner

Relation: I was her chiropractor

Dear Family Members

I treated Darlene for many years and I always enjoyed seeing her. She was an honest and sincere person who had compassion for her clients. I think the work that she did as a counselor/aide was useful and she took her job seriously. Life never seemed to be easy for Darlene, with her struggles with diabetes and later her cancer.

Darlene always persevered, even with work and health difficulties. I admired her for that and will miss her.

Sincerely,
Robert Turner, DC

Tribute from Marie Jose Dhaese

Relation: as a consultant/teacher

It is with great sadness I just heard of Darlene's passing. Darlene consulted with me while working with children. I witnessed how dedicated she was to the children and family she served under at times very difficult circumstances. I will always think of her surrounded with light and warmth now that she has moved on from a very arduous journey. My sincere condolences to her loved ones. She will be missed by the many people whose lives she has touched in one form or another.
