Tribute from Gordon Wallace

Relation: I have known Shirley and Ray for all of my working life as a jeweller. A fine couple with a loving family

Dear Shirley, Ray and family. I believe when I was visiting at your home a few years ago, your lovely

daughter helped with finding an item you could not locate and, when she brought it to you, you introduced me to her. Her smile was a lovely duplicate of her mother's. She was very cordial and asked a few questions about some items I was there to examine. I'm sure the family feels the loss of one so precious. Be assured that her faith has held her in good stead. So sorry for your loss.
