Tribute from Neil Edgecumbe

Relation: Friend

I am an old high school friend of Dave's. When Dave and I graduated from high school we moved into the town and country apartments in Abbotsford for an extended period of time. I have very fond memories of the good times we spent together. Although I had not seen Dave in a number of years I think of him often. RIP Dave

Tribute from Wayne and Marion Larson

Relation: Friends

Jake really was a great guy to be with. He had such a great sense of humour and we loved laughing at all his crazy comments. There was never a dull moment. He was also warm and caring and made others around him feel good. We'll miss you Jake.

Tribute from Susan McConnell

Relation: Lifelong friend

Jake my friend....I didn't know you were ill but that's probably the way you wanted it. I'll never forget your infectious laugh. Love forever Miss you always
