Many happy memories of a truly caring person Condo

Many happy memories of a truly caring lady. A life well lived. Blessings to you all.

Tribute from Karl Rohde

My mother in law was a very special person to me. From the first day that I meant her, I felt welcomed and accepted. Myself being a "foodie", there are fond memories of her wonderful cooking and hospitality. Mom had a good sense of humour and accepted everyone as they were. She truly was a good person. I loved her like my own mother and she will be greatly missed.

Tribute from Richard Stewart

Relation: My auntie Vi.

Dear Trudy, Joyce, Janet and Ron,

Please accept my heartfelt condolences on the passing of your beloved mother.

Auntie Vi was always very kind and generous to me; such a good person.

On my seventh birthday she gave me my first book. A Red Ryder comic book that has special significance for me. I used it to learn to read.

May you find comfort in those around you.

Tribute from Charlie Peti

Relation: My mother-in-law

My mother-in-law and I had our differences but no one could ever doubt her love for, and her commitment to, her family. There is something that I wish I would have said to her while she was still with us: "Thank you for the way you brought up your daughter who became my wife and the mother of my children. You did a wonderful job. I will be forever grateful."

Tribute from Bill Lundstrom family
