Tribute from Phil Cartwright

Ken and family,

So sorry to hear of your loss. There are so many great memories of the times we shared in the early years. Dianne was a great lady and a dear friend. Our thoughts are with you.

Tribute from Lola Marie Vermeulen (Marie Davidson)

Relation: friend

My condolences on the death of Dianne. I am so sorry for everyone who loved her. There are no words, there is nothing at all, to reduce or relieve the pain of your loss. Dianne and I met in Grade 6. We became fast friends. We shared so many great times during our junior high and high school days.

Although we saw little of each other after high school, my feelings of warmth and friendship towards her never diminished. She was fun, enthusiastic, kind, always up for a prank or two. I was very happy the night she and Ken reconnected. My sympathy to Ken and to her family

Tribute from Aileen Waterston York

Relation: School friend

My sincere condolences to Ken and family on the passing of Dianne. Dianne and I were high school friends. She was one of my bridesmaids so many years ago. Although we lost touch, seeing one another only at BNSS reunions, she remained in my mind. Now, with sadness, she will be forever in my thoughts. She was a lovely person and a good friend. With sincere sympathy, Aileen Waterston

A beautiful tribute to a special lady. Di will be in our hearts always. Each time I pick up a pair of scissors to trim a shrub Di will be with me. I have many special memories that I will hold close to my heart. I will grieve with you on the passing of Dianne.
