Tribute from Roland and Rose Dirks

Relation: Former Neighbour

Dear Betty and Family, it was my privilege to farm next to Dick in the 70s and 80s. He was always interested in my latest farming developments and always encouraging to me as I was only in my 20s with a young family at the time. He made it fun to farm next to him. He will always be remembered for this. We send our sincere Condolences to the whole family.
