Relation: friend

My heart goes out to you all, Doreen was such a special person. I worked with her at City Hall and she was really a lovely person. when I think of her all I can do is smile, she was a legend, we have had so many good times, great times and unbelievable times. She wore her heart on her sleeve, although she had no problem setting you straight if need be. My friend was a real treasure, so with tears on my eyes I say we are all lucky to have known her. Big hugs, Cathy
