God's Garden

God looked around his garden and found an empty place  
He then looked down upon his earth and saw your loving face  
He put his arms around you and lifted you to rest  
His garden must be beautiful, he always takes the best  
He knew that you were suffering, he knew you were in pain  
And knew that you would never get well on earth again  
He saw your path was difficult, he closed your tired eyes  
He whispered to you "Peace be Thine" and gave you wings to fly  
When we saw you sleeping so calm and free of pain  
We would not wish you back to earth to suffer once again  
You've left us precious memories, your love will be our guide  
You live on through your children, you're always by our side  
It broke our hearts to lose you, but you did not go alone,

For part of us went with you on the day God called you home.
