Tribute from shirley wichinski

Relation: wife Marilyn is an old friend

My thoughts and prayers are with you Marilyn. I hope your children and grandchildren will comfort you at this sad time and in the days ahead. Although I never met Ed I know what a wonderful part of your life he was.. Even though we didn't stay in close touch over the years you were often on my mind and in memories of our time together at the U of A. All those term papers, hours on the phone editing each other's work, endless cups of bad coffee in the Ed. Building. i am truly sad at your loss and pray for your comfort and healing.
