Tribute from John Konrad

Relation: Friend and colleague

Dear Anita: While I had heard that Ed's health was declining, I was unaware of his lung cancer, and was so sorry to see his obituary in this week's edition of the Abbotsford News. Ed had a very good reputation in the BC Corrections Branch, and I was proud to be his colleague for so many years. Our paths at work diverged, but I was always pleased to hear of his work. When we both contracted cancer at the beginning of the 21st Century, we often "compared notes", mostly by phone. These contacts with him were always an encouragement to me. Katherine and I want to extend our deepest condolences to you and your family. May your many warm memories ease your pain during this time of loss and grieving. John
