Tribute from Dora Contreras

Relation: Friend

My deepest condolences to the family, may the Lord comfort you and give you peace.

I came to know Elfrieda through church and got closer to her when we used to carpool to go to church to take Winsome, a school of Ministry in our church. We used to get together to watch the Windword service Sunday mornings, at my place, when due to the restrictions of the pandemic, we couldn't meet in the church building.

We went for many walks to many places and enjoyed many shopping trips with her. She was an amazing lady, a delight to be around her and learning from her. She was a blessing to me and so many others around her. It is a joy to know that she is rejoicing now in heaven with Jesus and her dear family that went ahead of her. Much love to all the family.
