Sincere and heartfelt condolences to the family. Betty's legacy will be precious.

Tribute from Ed & Louise Janzen

Relation: She was a life-long friend.

It was a pleasure knowing Betty beginning with our university years in Vancouver. We have had many a meal in her house, particularly in the reader's club, and always enjoyed her unique perspectives on literature. Now that she has walked through the valley of the shadow of death, her Shepherd has provided rest from her many struggles.

Tribute from Elfrieda Klassen

Relation: Cousin of Betty's & high school graduate classmate

My heartfelt condolences to you David. So sorry for your loss. Although many years have passed since our High School graduation together, we did manage to have the occasional visits. You and Betty had an amazing life together - treasure the memories and may they bring you great comfort.

Tribute from Bobbi Preston

Relation: Blessed friend to have shared meals and conversations and prayers over many years

Dearest David, Clarence and Karen,

Precious Betty with acts of generosity like waffles, an artichoke, a kind word, a lovely story and the one to first send the thank you notes. I admired her and in awe of her ability to courageously meet a great challenge with dignity and faith and gratitude that her Lord held her. You stood with her with such amazing love. Jesus is the source of great love. Know others have been touched and we grieve

with you.

Tribute from Mark & Janet Sweeney
