**Tribute from Susan Barker**

Relation: Long time friend

I will so very much miss Ellen who was definately one of the best friends I have known in this lifetime. She was a thoughtful and loving friend and we spent many hours together talking about quilts and ideas for making them. We talked about our families and how proud and thankful she was to have grandchildren! We spent time discussing family history and the things we did as working women, looking after our family. Ellen was a wonderful and true friend.
