Our thoughts and prayers are with you John and family! So sad we couldn't be there in person to show our love and support! The service with comments, memories and video were so real, personal and encouraging! I've had the privilege of knowing Elsie Redekop my entire life and always feeling welcomed into their home. I've also witnessed her servant heart as she wouldn't sit down to eat until we were well into our meal. Praise the Lord for her faith, persevering till the end!
