so sad to hear of her sudden passing and such a wonderful person, she will be missed but lived a hard life and learnt so much from her and listened to her stories.

Tribute from Bev Miller

Relation: Friend

Frieda was a very special part of my childhood. I remember her fabulous cooking/baking and special Easter dinner. I remember staying at her house several times and one time in particular, waking up with the measles and Frieda took very good care of me. She will always have a very special place in my heart.
