Tribute from Jim Perkins

Relation: Co-workers in Nanaimo

Our thoughts and prayers are with Gary's wife and children during this profoundly sad time. From Gary's friends and co-workers at the former Meyers Holland dealership in Nanaimo.

Tribute from Wendy Pantages

Relation: Friend

Our deepest sympathies to Janette, Greg and Denise, together with their spouses, on the loss of their beloved husband and father. Gary was one of the kindest and funniest men I knew and he quickly became part of my family. He was also the bravest man I knew, fighting the incurable and horrible illness of ALS, but speaking through an electronic device once he lost the ability to speak, racing in his motorized chair when he lost mobility in his legs and breathing through a machine when he was unable to breath any longer. He was a champion and a hero. A great debator, he never conceded defeat. He fought at the end to live each day and never conceded to death either. We miss him deeply.
