Tribute from Heather Sadoway

Relation: I was a student

Dear Pam and family,
Glenn taught me everything I know about computers, going back to 1991 and the days of DOS. He was an excellent instructor and such a good man and fun to learn from. It saddens me that he has died at such a young age. I remember his dedication to you and the children and I last took a class at your Langley home in the converted carport. Good memories and he will be missed.
Regards,
Heather

Tribute from Greg & Donna Marshall

Relation: School friend

Pam & Family,

I just heard of Glenn's passing and thought of all the good times we had years ago. Glenn , Rob Peters and all went to David Thompson high school and used to hang out after graduating . Glenn was a great guy with a good sense of humor and will be missed. RIP my friend Greg Marshall

Tribute from Guy Rutledge

Relation: friend of family

I was very sad to hear what happened to Glenn. He was a good friend to me during my high-school days. He was, and always will be, a good man in my book. May he find peace in God's loving arms. I have uploaded a window painting I did when my sister passed away. It is her spirit leaving it's physical body, and becoming free of it's earthly ties. Headed off to a place we don't know yet. It is now also a memory of Glenn to me.
