Relation: He was my high school teacher

I am so very sorry for your loss. He was a great teacher and loved by so many of his past students. He was cool, kind and so much fun. Halloween dressed up as a greaser and Miss Fitton on the back of his motorcycle!!! Awesome. Great memories.

Tribute from Joan Knox

Relation: colleague and friend

So sorry to hear of Gord's passing. He was an inspirational teacher with a genuine interest in his students and making his subject come alive. He also was a supportive counselor when I first came to Brookwood. He not only helped students but was also a refuge and mentor for a young teacher. I took him all of my problems! I also remember his children and Carol at Brookwood. The Wilson family were a part of the fabric of the school. I was always glad when Gord and his wife returned to the school for special events after he retired. I will miss my friend.

Tribute from Joan Southern

I am saddened to hear of the passing of Gordon. He was an amazing man and brother to his siblings, especially remembered with Dave.
