Thoughts are with his family and friends and co-workers - I have fond memories playing slow-pitch with him 15+ years ago, his professional help with my father's celebration of life April 2004 and laughs during many parties and his great BBQ flank steak! See you at our next life - cheers and hugs

Relation: Girlfriend of 7years.

I'm truly heart broken at the loss of my best friend and confidant. Life can never be the same without ya Guy. I've nobody to make me laugh like you could. Loved you so much and will forever. Just miss you soo very much it hurts . To have loved and been loved by you was a privilege not many could match.

Tribute from Lisa Tn

Relation: girlfriend

Absolutely devastated. I used to have trouble sleeping; Guy would to get up first & go for walk, picked up strawberries & croissants. I'd wake up to coffee and lazy weekend breakfast. No more watching Yellowstone (his choice, not mine). This is so incredibly painful, can't believe he's gone.
