Relation: neighbor

Dearest May and loving family,  
Hans was the sweetest neighbor anyone could ever have.  
He was such a good listener and he often had an ear for me. This gift he had carried so many burdens for others and he blessed us with it. You were fortunate to call him Dad !  
With sympathy for your loss, Lis and Terry

**Tribute from Bruce Beck**

What sad news to read of the loss of your father. How proud he was of you when we met him right after TWU grad. My thoughts are with you and your family as you deal with the loss of Dad & Grandpa.

**Tribute from Ian and Nancy Dempsey**

Relation: friend

We knew Hans and his family here in Cambridge and we lived in the Abma house in Abbotsford one summer while they lived in Cambridge in our house. It was an interesting time for us and we did get to know Hans and his family at that time in a new way. Lots of memories and sadness for his family to hear that he is gone
