Tribute from Leona Nickel Ewert

Relation: Friend of the family for many years

On behalf on our mother, Betty Nickel, we wish to send our condolences to your family. Your parents were wonderful friends and encouragers to our parents, David and Betty Nickel, over many years. We, their children, were blessed to run into your dad many times in Terraces West, as we would visit our parents. He always greeted us with a smile and had time for a chat. We remember him as a very kind man who often expressed his gratitude for how you cared for him. Heaven will be enriched by his presence.
