Tribute from Mel and Willa Kraft

Relation: Living and working in Abbotsford.

I first met Jean (Mrs. Grant) when I started working at the local Shop-Easy Grocery store in Abbotsford after graduation. I often packed her groceries and took them out to her car. Later when I went into real estate, if I remember correctly, I helped her sell her house on Rockland Drive. She was a very gentle, kind soul and always had a smile and a greeting when ever you met her and a good sense of humor. My father in law, George Brown worked with Jean at the Fraser Valley Regional Library for many years. They traveled often together delivering books in the Book Mobile to many communities in the Fraser Valley. It saddens us to hear of Jean's Passing. She was a very interesting lady and a very active lady. We are so sorry for you loss.

Tribute from Larry Kimber

Relation: family friend

Our mom and Jean Grant were friends for many many years in the 60's. Went to school with Jeans younger children and we spent many hours playing ball on the diamond with our moms , these friends instilled a love of sports in their children and we thank them both for this. We haven't lived in Abbotsford for many years, but make it a point of driving by the Rockland ave. house to think of when things were so much simpler in life. Jean Grant was our moms oldest friend as best we can remember and she was always such a good person, a good mom and a good friend to all that she came in contact with. Our condolences to the family.....from the Kimber family

Relation: Friend

Sorry to hear about your Mom. The Boury family lived close to your family when we went to elementary school at Alexander school. I played softball with your Mom in the Ladies league at Centennial and Mill Lake. When we would meet shopping or often at a gathering we slways had time

for a chat and some memories. My Mom Lou Boury is close in age and remembers Jean and the friend she was to all who knew her.
So sorry to read the news.
Hugs to you all
Linda Kirton (Boury)
