Tribute from Casey Rempel

Relation: Friend from Bakerview church

I was very sad to read that Henry "Mr T" passed away. My prayers are with your family.... Mr T was our longtime Bakerview pastor and always had a kind word for me. One year in day camp as a kid I he got a speeding ticket in the church bus on Delair Rd, I can't remember where we were going but I will always remember how shocked all us kids were and how funny it was ever since. Peace to you and your family Leona.

Tribute from Paul Heidebrecht

While Henry was know for his Seniors ministry/choir at Bakerview, he was such as supportive and presence in my life as a young adult. Henry played an instrumental role in supporting the College/Career ministry, and providing pastoral care/support to many. Henry was so naturally adept

at talking through a life challenge with you, while chucking ball or shooting hoops at the same time...Wishing Leona and family peace and love during this time of loss and remembrance

Tribute from ANTONIO WONG

Relation: Henry Thiessen was the principal at the Pan American Christian Academy (PACA) when I was a student there

His example and message of hope centered on Jesus Christ resonates with me to this day. May God comfort the Thiessen family in this time of transition. "Well done, good and faithful servant", says the Lord!
