Relation: Friend and colleague

Hello Peter and Family, It is so very sad to read that Hilda passed away. I wish you the Lord's comfort and grace during this difficult time of grieving. We have not met in recent years, but I recall crossing paths with you many times earlier. I also remember Andrea when she was a student at CMBC. May you all find the hope and comfort that you need.

God, Grant me the serenity
to accept the things I cannot change,
courage to change the things I can,
and the WISDOM to know the difference.

Living one day at a time
enjoying one moment at a time,
accepting hardship as the pathway to peace.

Taking, as He did, this sinful world as it is,
not as I would have it.

Trusting that He will make all things right
if I surrender to His Will,
that I may be reasonably happy in this life,
and supremely happy with Him, forever, in the next. (Reinhold Niebuhr)

Tribute from Shirley Hsu

Relation: Friend

So sorry to get the news today, Peter. I was looking at obituaries for another friend when I came upon Hilda's. She was a very special person. I always enjoyed chatting with her because she had so many interests and talents. Unfortunately I could not have come to the service even if I had known sooner, since we are in Mexico until Jan. 24. I pray that you and your family will experience God's peace and great comfort as you go forward.
