Tribute from Louie van de Lagemaat

Relation: Family friend

Dear Goertzen family, I was so sorry to hear of Mr Goertzen's passing. He was a family friend since I was born, and was like another grandfather to me. I always enjoyed spending time with him, and appreciated his wisdom. His mouth was always full of his Saviour and his God. I'll miss him a lot. May God comfort you in your sad loss.

Tribute from Shirley Hsu

Relation: Childhood teacher, longtime friend

Your father was a good friend who always expressed interest in how my family and I were doing. Most of all I will remember him as the one who taught me many German songs when I was a child at the East Chilliwack church. My lifelong love of singing, as well as an interest in the importance of music in worship were sparked by Mr. Goertzen. May God richly bless your family as you remember his life today.

Tribute from Wulf & Henrietta VandeLagemaat

Relation: Friend

Our deepest sympathy in the loss of such a dear relative and friend. I (Henrietta) first met him in 1962 when I worked at the Municipal Hall and he was the gardener. From there on he was a friend indeed to us and all our family as they grew up. We will miss him VERY much. His life was such an example to follow. His great concern for the Spiritual welfare of his posterity led him to leave behind many valuable writings that he gleaned from the Bible. May they be a blessing to all of you.
