**Tribute from Jake Barkman/Pamela Barkman**

To the Janzen family.

We send our condolences ,thoughts and prayers to you all.

Even tho our paths have not cross very often in the past number of years, we have never forgotten the Janzen family and especially your father. It was back in '63/64 that Jake built our parents house on Bradner. Thru the years your dad's name was often mentioned referring to, who built our house and the awesome workmanship of every detail including kitchen cabinets. Than again in 1981 when my father got Jake and sons to build another house just north of the farm house. Another job well done. Jake was a great warrior for our Lord and was not ashamed to live it.

Our father's name was Abe Barkman and i send this note and condolences on behalf of the Abe Barkman family.

Blessing and all the best,

Jake and Pam Barkman, Abbotsford BC

**Tribute from Dave Loewen**

Relation: Church friend

My memories of Jake go back the 1950s, when I was young lad. Jake was an active member of the Sunday School team. I remember him doling out ice cream to the children at our annual Church Picnic. I remember him giving oversight to three construction projects - the present sanctuary and two Sunday School wing additions. I will always remember the cheerful greetings he and Tina shared with us on Sunday mornings. Jake was always cheerful and I cannot remember him ever criticizing or complaining. His commitment to West Abbotsford and then to Level Ground is an example to all. We will miss him. Dave & Grace Loewen

**Tribute from Rudy Schroeder**

Relation: Thru West Abbotsford Church

My condolence to Mr. J. Janzen family. I have fond memories of your dad as my boys club leader at West Abb. Church. He was so patient and kind with this impetuous boy! His gentle demeanor and strong faith had a great influence on me during my formative years. He built our house on the farm which allowed me to see his faith in action. I'm so greatfull to God for putting your Dad ( +Mom ) in my life. Blessings. Rudy Schroeder

**Tribute from Sally Guggenheimer**

Relation: close family friend

Dear Family of Jake Janzen: We want you to know how much our Otto Unger family appreciated your father (and all of you). Your father made many contributions to the homes our family lived in during the years he did his brilliant carpentry profession. He always listened carefully, added great suggestions and completed tasks skilfully.

We pray God will help all of you recall special memories of your very special dad, grandfather and greatgrandfather. John and Sally Guggenheimer (on behalf of our Otto Unger family)
