

REMEMBERING
Jacqueline Patrick

April 20, 1942 - October 18, 2018

Chilliwack BC - Major Jacqueline Patrick was born in Windsor, Ontario in 1942 where she was blessed to be brought up in a Christian home; her dad led her to Christ. The Lord brought Jacquie and Glenn together and they entered the College for Officers as Heroes of the Faith in 1962 and served for 35 years as active officers, serving in Kirkland Lake, North Bay, Saskatoon Temple, Chilliwack and Victoria Citadel Montreal Citadel. Jacquie loved teaching and sharing in small groups. Feeling the need to tithe their time on the mission field, they expressed this to their leaders. Soon they were off to Sri Lanka and South Asia for almost eleven amazing years! Glenn became the Training Principal in two of the Territories and Jacquie began a work which she loved, administration. Glenn and Jacquie were blessed with three children, Randy, Judi and Rick. God's plan for their lives has been the perfect one, created just for them. Jacqueline spent her final days under the loving care of the staff at Cascade Hospice in Chilliwack, passing away on Thursday October 18, 2018. Even in her last days, Jacqueline continued to be a strong witness, touching the lives of her caregivers until she was called home.
