Tribute from Carol and Terry Hilborn

Relation: My husband and Jean were residents on 5th floor of The Terraces at Evergreen

My deepest condolences to Stirling and family on their loss. My husband, Terry and I met Jean 9 months ago when my husband became a resident in The Terraces. The first thing I noticed about Jean was her warm smile which lit up every time Stirling arrived. Stirling and Jean danced so beautifully together at the musical afternoon get-togethers. I always made a point of spending time with her when I came to visit my husband and enjoyed our times together. One day she noticed my hands were cold and she gently held them throughout the visit until they were toasty and warm. I was touched and when I think of her ... I smile.

Tribute from Jody Young

Relation: Friend and neighbour

Dear Sterling, (and family),

We were sorry to hear of Jean's passing

She was one of the first people in Stratford Gardens to welcome us when we moved in 10 years ago!

She had such a caring heart and loved to help others.

We understand that the last few years have been challenging for you all at times. Jean is now in heaven, at peace and probably feeding the multitudes Jody & Kerbey

Tribute from Laura Baur

Relation: Neighbour at Stratford Gardens

My sympathies to you Sterling and family. Jean was the first neighbour I met when I moved to Stratford Gardens. Fond memory of taking her to Guildford. I miss her knocking on my door with kindness.

Another bright star in Heaven, Laura Baur

Tribute from Sue Birtch

Relation: Family of fellow Resident at Evergreen

Sterling and family: My sister Chris, my Dad and I send our deepest condolences to you all. We came to know Jean as our Dad is also on Oasis at Evergreen. Jean was the first resident we met the day we took Dad (George) to his new home in June 2019. We loved her instantly as she reminded us so much of our own mom, Jeanne who passed in 2005. Dad and I would often walk the floor and if Jean's door was open we would stop by to say hello and chat. She was such a special lady and we will miss her and her lovely smile. Know we are thinking of you and sending healing hugs. RIP dear Jean.

Tribute from Margaret Frydenlund

Relation: We lived in the same condominium

I was saddened to hear of Jean's death but relieved for both her and Sterling that she is now at peace. The first time that I met Jean was in the lobby of building 1 at Stratford Gardens. not long after moving there.

She was picking up Campbell Soup Labels. I bumped into her many times after that and enjoyed our conversations. I also met both Sterling and Jean in the underground parking garage and had many laughs down there. I can see from the obituary that they enjoyed a long and happy marriage together, helping others along the way. I am glad to have known her.
