Thank you for making my dad (Peter) laugh whenever you called to say "Where are the girls playing!" using his funny melodic voice. Of course we are talking Soccer! Dad loved all your calls which were most days until Vi passed away. We love you and will miss your jokes and funny voices. Much love

I have a few Uncles and I am fond of them and for the Uncles that are deceased have been fond. I was fond of Uncle John because he was always friendly and seemed okay to speak what he thought. I have a memory of him and another family member driving together to a lake and also how he took care of his Mother. Condolences to the family.
