**Tribute from Roland Dirks**

Relation: Friend and neighbour

I had the privilege of visiting with John many times when he would be coming or going to his mountain properties at Lake Mount near our farm. He always took the time to stop and chat a while when we were around. He was a kind and cheerful man and I always appreciated his insights and his friendship. Condolences to his entire family, he will truly be missed.

Dear Vickie and Family

I'm so sorry to hear of your Dad's passing. I will always remember his kind words and lovely smile. He was such a delight to be around.

Lorna

**Tribute from Helen Brown**

Relation: I knew him as the older brother of Betty and Carole and Louie.

Dear Carole, Betty and Vickie, I am sorry for the death of your brother and dad. I only met John once when you, Vickie, were a little girl. I liked him and your mom. They were very down to earth people. I still have raspberry plants that Viktoria gave me in about 1972 as a housewarming gift. I have many warm memories of the Kish family.

**Tribute from BARRY DRUMMOND**

Relation: Hired his trucking company for many years

Dear Betty and Family

Condolences to you and your wonderful family. John was a tremendous, warm, sincere, hard working, loyal business friend during the late 50's through to the late 60's. He had an energetic and personality and was always fun to be around with. In my 60 years of construction life John will always be remembered as one of the best that I have worked with.

**Tribute from Jack and Pat Hougen**

Relation: Long time friend

Jack and I are sorry we are unable to attend his "celebration of life" on Thursday Sept, 12th . Unfortunately I broke my foot and it is very difficult to walk and with Jack unsteady because of previously broken hips, we are a very unstable pair.

We send our thoughts and prayers to the children and family,

Lovingly,  
Jack and Pat Hougen
