Relation: Friend

What a wonderful tribute. Our deepest condolences. Julie left the world a much better place. Strength and love to you all.

**Tribute from Michelle Middleton**

Relation: Co-worker

I had the pleasure of working with Julie when we were both Helping Teachers in the CORE building. We often connected and collaborated to support staff and students in schools. Julie was one of the smartest ladies I knew. She could take any problem and figure out a variety of ways to approach it-always with the students at the centre. I will always remember her kind smile, warm laugh, and friendly giving spirit. Her love of icing was equally matched to my relative distaste for it. I always knew Julie was my "go-to-girl" if I needed to get rid of the icing from my teacher appreciation cake slices. She will be missed but never forgotten.

**Tribute from Rita Green**

Relation: Friend

My deepest condolences to Julia's family. I will always remember her charm and her joyful spirit. She gave me invaluable help when I began my ELL position years ago which was most appreciated. It was wonderful to enjoy some activities with her in our retirement. Her positive, cheerful manner was a gift to us all.

Deepest sympathy to Michael, Patrick, Joanne, Ayla & Zoey. We were so shocked and saddened to hear of Julie's passing. We have wonderful memories of her many visits to West Cork with Michael and our lovely stay in Abbotsford in September 2001. Our thoughts and prayers are with you all at this difficult time. May she rest in peace.

**Tribute from Linda and Brian Brebner**

Relation: School Classmate

Brian and I were so deeply saddened to hear about the sudden passing of Julie. Her Class of 1969 will miss her dearly. I'm certain that all her friends feel so blessed that she was able to take part in our School Reunion 3 years ago. Julie was so excited to be there to reminisce about all the memories we all shared.

We hope that the Lord will give you His Strength and His Awesome Love to help you through the days ahead.

**Tribute from Trevor McLain**

Relation: CKHS classmate from 1965 til 1969.

Dear Julie/Julia (I remember when you insisted on that name after our CKHS Grad), you have left this physical realm but will never leave my mind. You were the elegant and educational Valedictorian at our Grad in 1969. I was so happy to see you and Mike in the 50th anniversary reunion. I resolved to connect with you back in BC, but I had heart surgery issues, then COVID came. Time got away from me. I will always regret not seeing you again.

You added such class to our class...an inspiration to all.
