Relation: niece

Our deepest sympathy on Aunt Katie's passing.

Tribute from Anne Chandler (nee: Neumann)

Relation: Knew her from FUMC

Sincere condolences and prayers to one and all. Katy was such a special lady to so many. Always friendly, classy and encouraging. We are still living in one of their former homes built by Jake. Years ago when we were doing some renos, we found an old picture which fell behind the mantle fireplace, which I returned to Rick.

Tribute from Dave Loewen

Relation: Family friend

When still a young woman, Katie did some work for my mother, including taking care of me as a child. I often met up with her in the last years after she moved back to Abbotsford, and whenever we met, she gave me a big hug. I always affectionately referred to her as my babysitter. We lived not far from the Wieler home, and I often visited there as a boy, with Neil, and in later years, worked for Katie's dad, catching chickens. I will long remember her with great fondness. My condolences to the family.
