To Kathy's family

I was sad to hear of your Mom passing, I was part of the Monday crew at PP and cherished her friendship.

She was so proud of her Grandkids as we all shared our stories.

Kath was a good friend and I miss her , we will continue to talk about her when we share our lunches.

Thinking of you all

So sorry to hear of your Mom's passing. She really was like the energizer bunny. I was 12 when I use to babysit you girls. I have very fond memories of your whole family. My thoughts are with you at this very sad time.

So sorry and shocked to to hear of your Mom's passing. She was a very dear for many years. I kept in touch with her on the phone but she never said she was sick. She will be sadly missed.

Tribute from Judy and Dave Harrington

Relation: Friend

Reading your lovely tribute to your mom says it all. Sounds like she had a great life and beautiful

family. We are sure she will be missed by all. My husband Dave and I have volunteered with her at Penny Pincher for about two years and loved her. She no doubt said it like it was but we loved that about her. You could not have asked for a more dedicated person. Our only regret was we didn't get to say goodbye to her but also glad we had the pleasure of knowing her. Our deepest sympathy for your loss.
