Tribute from Mary Funk

Relation: Sister-in-law

Dear Family, It is with a heavy heart I wish to express my sincere condolence to you all. Your mother was a very special person to (Bill) and I. Our visits, phone calls always left us with the feeling we had had a true visit, conversation that we looked back on with a smile or a chuckle. When asking about the well being of her family, her reply was always, "they are all good or they soon will be!" I will miss you greatly and loved Sis! Rest in peace, you deserve it!

We will miss Kay for the good times . She looked forward to the yearly visit with her. Going out for dinner and Sunday afternoon BLT sandwich. Taken from us too soon.

Jan and I had many great conversations and stories about the family with A. Kay over the years and always with much laughter. We will miss her dearly. When my dad, Fred Funk, was in hospice we talk about dad kicking her husband out of the house and she had never seen my dad so mad!

Sending my Deepest Sympathy to ALL of Auntie Kays Family. She truly was one of a kind. A very catchy laugh, always had that big smile on her face. She called me on my birthday in March , and we talked for quite awhile, was amazed with her memory. Told her we would talk again on her birthday July 5th 2021 for her 98th. Sadly I didn't get the chance, but I did sing her happy birthday. Auntie Kay you will be missed by a lot of people, and will not be forgotten. Love you,

I just finished watching the service. What a beautiful, loving memorial you guys put together! Your mom would be proud.

"According to Kay"

I was talking to Aunty Mary and said "It is kind of unbelievable that Aunty Kay is gone, she has always been there. It is so awesome for her family that they have had her in their lives for so long and that she has always been so "with it" and able bodied. They are so lucky to be able to celebrate her long life. I can only imagine all the things she has seen and lived through and to still have her with about her. Wow!"

Also to add, I know Aunty Kay phoned my sister Cindy, when she was a few months away from passing away from cancer. Cindy told me how very touched that Aunty Kay was thinking about her.

Your Mom was an awesome lady and she leaves us all with fond memories.

Please accept our deepest condolences for your loss.
