

REMEMBERING
Kenneth Atkinson

February 27, 1944 - February 11, 2021

With heavy hearts we announce the passing of Ken, a dear husband and father. He fought a gallant fight with Pulmonary Fibrosis. Ken was predeceased by his father Donovan, mother Ruth and his stepfather Bill. He leaves behind to mourn his wife Magdalene, daughter Candice, son Kenneth (Jennifer), three granddaughters, one brother, two sisters, nieces, nephews and cousins. Ken served in the Canadian Military for 30 years. He enjoyed volunteer work, the great outdoors and had many hobbies. He will never be far from our hearts. By Ken's request there will be no service. In lieu of flowers, donations can be made to the Vancouver General Hospital Lung Centre, www.thelungcentre.ca.
