Wiebe and Jeske Funeral Home Staff send our condolences to family and friends.

Tribute from Arlene Thygesen

Relation: Family friend

To the Swanson family

We were so saddened to hear of Lawrence's passing. He was such a great man and known as "Grampa Lawrence" to our own son, Trevor. I hope he and mom and dad are reunited as my parents always cherished your dad as a terrific neighbor and a true and loyal friend. He was one of the first people the Knights met when they moved to Abbotsford and they had a close bond with Lawrence and Helen until their own passing. We have your families in our thoughts and we will always remember your dad for the terrific man he was.

Our sincerest condolences.

Tribute from Linda Bontron Devitt

Relation: Grand Niece

I am sorry to the family for the loss of your dad, Uncle Lawrence. I am saddened that some nieces and nephews were not notified - i.e. Yvonne Fraser, Raymond Bontron & Les Bontron. Yvonne's contact info is in Aunty Helen & Lawrence's papers. I remember visiting them at their home on York - Uncle Lawrence was a hoot! Aunty Helen always put on a grand tea when company showed up. I was happy to get to know them.

Tribute from Isabelle Karras

Relation: Second cousin by marriage

Lawrence was my second cousin Helen's husband and he truly was a lovely man. He and Helen were so very helpful with my parents Mike and Bessie Boris (both deceased), and particularly with my mother during her later years. I have always been most appreciative as I live in Ontario and it was gratifying to have relatives close by. My husband and I so enjoyed our visits with them. Our sincere condolences to the family. Isabelle Karras, Oakville, Ontario.
