### **Tribute from R Young**

Relation: Son

Mom lived a life of song. One song in particular stays with me. It is the song she'd play between piano students, after a church service, or when playing a newly tuned piano. It is a song I heard her play my whole life. For me, it will always be her song: Francis Poulenc's Novellette in C major. I invite you to listen and remember. Thank-you, Mom.
